

Walking with Grace Mentoring Program

Information Sheet

Mentoring is Biblical!

Titus 2:3-4 “Older women likewise are to be reverent in their behavior; not malicious gossips nor enslaved too much wine, teaching what is good, so that they may encourage the young women to love their husbands, to love their children,” (NASB).

Program Goal:

Provide fellowship, encouragement, and support to women in all stages of life.

Program Length:

Will be nine months from training of mentor, or relationship can continue at the discretion of the mentor/mentee.

A short-term situational mentoring experience can be provided for a specific need.

Mentors:

Model a mature Christian life and learn how to use Scripture to address needs.

Are required to attend a free one-day training Workshop.

Mentees:

Participants will be matched with mentors with similar experiences and/or to address specific areas of growth.

Will attend a free 1-hour information session explaining the program to the mentees.

With the help and guidance of the mentor, they will identify goals, and develop a plan to achieve those goals.

How it will work:

Potential mentors and mentees will fill out an application. Once the applications are received and reviewed, mentors and mentees will be matched.

Mentors and mentees will be notified of their match via email.

Mentors will attend a **free one-day training workshop**.
Mentees will attend a **free 1-hour information session**.

Mentors will receive the book Impact Together, by Elisa Pulliam, to use for a reference guide.

Mentors/Mentees will decide on their method of communications, frequency, place and time to meet. It is recommended that meetings take place at least once a month.

A mentoring action plan will be developed by the mentee with help from the mentor.

What is said in the mentoring relationship stays in the mentoring relationship unless mutually agreed upon otherwise.

A Mid-year and End-of-year social event will be held.
